## **CITIC Telecom CPC Wins at World Communication Awards 2015 for The Cloud Infrastructure Award**

*Evidence Global Recognition for its Products and Services Excellent*

**Hong Kong, 3 December 2015** - CITIC Telecom International CPC Limited (CITIC Telecom CPC), a wholly-owned subsidiary of CITIC Telecom International Holdings Limited (SEHK:1883), has been gaining local and international attention over the recent years with its remarkable achievements. Today, the Company is honored to announce the winning of two international awards, testifying to the recognition it enjoys worldwide for its innovative technology and excellent quality services, reassuring its leadership in providing advanced cloud computing solutions and effort in being the business partner of its customers to help achieving their business goals.

The two international awards that CITIC Telecom CPC recently received are “**World Communication Awards (WCA) 2015 – The Cloud Infrastructure Award**” and “**Asia Communication Awards (ACA) 2015- Best SME Services**”, both by Total Telecom.

“Being ‘customer focus’ is what underscores our success. CITIC Telecom CPC is pleased to be able to stand out from the crowd and attain significant achievements at WCA 2015 - The Cloud Infrastructure Award for SmartCLOUD™ Cloud Computing Solutions. This is a strong encouragement to us to step further and continue our effort in knowing our customers better, striving to bring them with high competitiveness and robust business capabilities to satisfy their needs,” said Mr. Stephen Ho, Chief Executive Officer of CITIC Telecom CPC.

“With more and more enterprises going global and the emergence of Big Data and IoT, we understand the challenges that enterprises are facing and are devoted to supporting them with our best effort. Customers can now connecting their businesses through our MPLS VPN Solutions; being assured of their network security by our information security services; benefit from high computing resources flexibility and scalability with our cloud computing solutions; and rest assure that their enormous data to be managed and stored safely in our world-class data centers. All these contribute to the success of reaching win-win situation to our company and customers in recent years,” Mr. Ho added.

To recognize innovation and the most outstanding achievements amongst global telecom operators, the WCA is one of the most respected awards for telecom industry. It is synonymous with innovation, merit and remarkable performance and is awarded to those who make a great effort to shape the future of telecom industry.

One judge pointed out that CITIC Telecom CPC cloud solutions are “delivering operating cost savings to customers in the Asia-Pacific region”. The solutions are designed to help organizations to “establish operations quickly, scale up their business and build geographic reach”. In fact, the SmartCLOUD™ solution is ideal for enterprises to enjoy flexible and scalable infrastructure without compromising enterprise-grade security. Having eight geographically diverse Cloud Service Centers in Asia Pacific with guaranteed service availability, customers can benefit from high flexibility in selecting the most suitable center locations to cater their business planning as well as deploying any scale of service with ease and minimal administrative overhead.

“Asia Communication Awards 2015 – Best SME Services” presented by Total Telecom recognized the effective efforts of CITIC Telecom CPC in developing a cost-effective cloud solutions suitable for SMEs. The cloud solutions not only help SMEs enhancing their productivity and competitiveness, but also assuring them to enjoy enterprise-grade services with OPEX model. Judges pointed out that “SmartCLOUD™ cloud computing solutions is a comprehensive suite of powerful, versatile and cost-effective virtual enterprise tools scalable on demand, through a pay-per-use subscription model. It offered a significant cost savings to customers and delivered consistent service experience across all the markets.”

“‘Striving for Service Excellence’ is always our business motto. The two international awards recognized our business has shown marked success over the years by implementing a customers-first strategy. CITIC Telecom CPC will continue listening to customers’ needs and leveraging its strengths so as to solve customers’ real-world ICT challenges. We promise to deliver ‘The RIGHT solutions to the RIGHT customers’ and we are confident that we will stay ahead in this competitive market and sustain business growth,” concluded Mr. Ho.
